A person wearing a light blue button-down shirt is holding a black smartphone. The background is filled with various hand-drawn financial illustrations. In the top left, there's a lightbulb with radiating lines. To its right is a bar chart with three bars of increasing height (green, blue, red) and an upward arrow. Further right is a circular arrow with a dollar sign inside. On the left side, there are several dollar signs and a pie chart. Below the lightbulb is a red horseshoe magnet with dollar signs being pulled towards it. At the bottom left is a small potted plant with green leaves and a dollar sign next to it. At the bottom right, a blue arrow points upwards towards the smartphone, which has a bar chart with four bars of increasing height (green, pink, yellow, blue) and a line graph with an upward trend on its screen.
